What to Know Before You Purchase

- The Lincoln Empowered courses are designed for autonomous, self-paced students and feature automatic grading without instructor assistance.
- Reviewing the homeschooling regulations specific to your state before purchasing is crucial.
- Remember, Lincoln Learning Solutions functions as a provider of educational curriculum content.
- We do not operate as an educational institution or confer credits upon completing any course.
- We advise you to engage with your local education authorities to explore the most suitable learning pathways for your child.
- It's important to check with your local school district to confirm that they will recognize and give credit for the courses included in your homeschooling plan.
