

What to Know Before You Purchase

The Lincoln Empowered auto-graded asynchronous course offerings are content only, with no teacher support.

We recommend checking the homeschool laws in your state prior to making a purchase.

Lincoln Learning Solutions is a curriculum vendor.

Lincoln Learning Solutions is NOT a school and does not grant credit for course completion.

Contact your local school district to discuss the best educational options for your child.

Ensure the school district will accept and transfer the course(s) for credits if needed.
