» Course Outline by Module

Module 1	Introduction to Networking and Careers
Module 2	Network Components Part I
Module 3	Network Components Part II
Module 4	Network Access
Module 5	Connectivity
Module 6	IP Services
Module 7	Security Fundamentals
Module 8	automation and Programmability

» Instructional Components

Pointful Education Courses are structured in a consistent, research-based format utilizing multiple pedagogical concepts such as Understanding by Design, Growth Mindset, and Video and Project-based learning. Through the use of these pedagogical concepts, Pointful Education maintains a consistent and engaging course structure that supports student-centered learning.

Course Structure

» Certification

This course prepares students for the Cisco Certified Network Associate (CCNA) Certification:
